

# AKASH MITTAL

ARCHITECT AND DEVELOPER

## FOR HUMAN RESOURCE AND RECRUITERS

Hard Core Developer with Work Experience of 10 Years. Have Experience in **Ecommerce**, Banking & Finance, and Investment Banking Telecom domains. Mostly worked as individual contributor. I have also lead teams and my bread and butter still lies with Coding.

I my next role I want my learning curve to be as steep it could be and be more language agnostic be it Python, Java, Java Script, Go Lang, RUST.

## EXPERIENCE

4

### DEUTSCHE BANK – Solutions Architect

2019 – CUIRRENT.

Building and integrating and migrating information systems to meet the Bank's needs. Assessing the systems architecture currently in place and working with technical staff to recommend solutions to improve it. Working at the Grassroots level - be that as it may – Main Job is to Code, for all that it means..

3
