AKASH MITTAL

OPEN SOURCE AND JAVA PROTOGANIST

FOR HUMAN RESOURCE AND RECRUITERS

I am a Hard Core Developer with Work Experience of 6 Years. Have Experience in **Ecommerce**, Banking & Finance, Investment Banking Telecom domains. Mostly worked as individual contributor. I have also lead teams however my bread and butter still lies with Coding.

I my next role I want my learning curve to be as steep it could be and be more language agnostic be it Python, Java, Java Script, Go Lang, RUST.

Rest of the documents is the snapshot of Employment History and My Technical Stack.

Please get in touch for detailed resume with roles and responsibilities.
